Aims of the course

- To relate to practice and emphasise key learning points for each content area outlined in the [National Minimum Standards and Core Curriculum for Vaccination Training - GOV.UK](#)
- To address current issues and provide information about resources and teams to support practice
- To provide a platform for delegates to ask questions and consolidate any prior self-directed learning

Prior learning

- Delegates are advised to have completed sessions relevant to their area of immunisation practice of the free e-Learning for Healthcare Immunisation course, consisting of 7 knowledge sessions: [Immunisation - elearning for healthcare \(e-lfh.org.uk\)](#)

Immunisation Resources

- Vaccine Knowledge: <https://vk.ovg.ox.ac.uk/vk/>
- Green book: <https://www.gov.uk/government/collections/immunisation-against-infectious-disease-the-green-book>
- Immunisation resources collection: [Immunisation - GOV.UK \(www.gov.uk\)](https://www.gov.uk/government/collections/immunisation)
- Vaccine Update: <https://www.gov.uk/government/collections/vaccine-update>
- Patient group directions (PGD): <https://www.gov.uk/government/collections/immunisation-patient-group-direction-pgd>
